IABMAS Japan is honored to invite you to the 10th International Conference on Bridge Maintenance, Safety and Management (IABMAS 2020) to be held at the Sapporo Convention Center, Sapporo, Hokkaido, Japan from June 28 to July 2, 2020. The conference is organized on behalf of the International Association for Bridge Maintenance and Safety (IABMAS) under the auspices of the IABMAS Japan and Hokkaido University. Hiroshi Yokota and Dan M. Frangopol will serve as conference chairs.

IABMAS 2020 provides a great opportunity for international specialists in the field of bridge engineering to share experiences, innovations, achievements and knowledge. The conference will bring together academics, researchers, and practicing professionals, bridging the gap between theory and practice in bridge maintenance, safety, and management. We are looking forward to welcoming you at IABMAS 2020.

❑ IABMAS (<http://www.iabmas.org>)

IABMAS was founded in October 1999. It encompasses all aspects of bridge maintenance, safety, and management. Specifically, it deals with bridge repair and rehabilitation issues, bridge management systems, needs of bridge owners, financial planning, whole life costing and investment for the future, bridge related safety and risk issues, and economic and other implications.

❑ Delegates

Anybody interested in bridge maintenance, safety and management is invited to participate. Participation will benefit university researchers, representatives from all sections of civil engineering, engineers working with companies, consultants, contractors, and representatives from local authorities.

❑ Language

The official language of the conference will be English.

❑ Call for Papers

Authors are kindly invited to submit 300-word abstracts by May 1, 2019 through the online submission system available on the conference website. Authors will be notified regarding the status of their abstracts by August 1, 2019. Full papers are due by November 15, 2019. Final acceptance of the full papers will be notified by December 15, 2019.

❑ Call for Mini-Symposia and Special Sessions

Participants interested in organizing mini-symposia or special sessions as parts of IABMAS 2020 are requested to submit a proposal to the IABMAS 2020 Secretariat. Detailed information about the submission process will be made available on the conference website (<https://www.iabmas2020.org>).

❑ Publication

The conference proceedings will be published by an international publisher and will be distributed at the conference to registered participants.

❑ Sapporo, Hokkaido, Japan

Hokkaido is located at the northern part of the archipelago. With a population approaching nearly two million, Sapporo is the largest city and is the main commercial and business center of Hokkaido. Sapporo hosted the 1972 Winter Olympics and is famous for its Snow Festival, Sapporo beer, ramen noodles and 'Genghis Khan' a barbecued mutton. Being a new city, Sapporo has a rectangular street system with wonderful open and tree-filled boulevards.
